Day 1: Kruger National Park

Day Description

On arrival at Kruger-Mpumalanga International Airport you will be met and transferred by road to Jock Explorer Camp

Overnight at Jock Explorer Camp on a full board basis

At more than 2 million hectares the Kruger National Park is one of the world's largest game reserves and a truly remarkable destination. Because of its exceptional size you can experience amazing diversity – from the scenery and ecosystems to the correspondingly amazing array of animals, trees and birds. A trip to the Kruger National Park is an unforgettable and potentially life changing experience.

The Explorer Camp at Jock Safari Lodge offers guests a unique experiential insight of a bygone era, a time when exploring really was an adventure into this unknown Big 5 wilderness, as did the legendary Percy Fitzpatrick in the 18th century. The camp and tents have been meticulously recreated with the similar style camp beds, canvas washing basins, lanterns etc in order to transport guests back in time.

This two day educational, walking safari is lead by two highly specialized guides and nights are spent around the camp fire enjoying hearty bush meals whilst learning more about the history of Jock of the Bushveld, Percy Fitzpatrick and how the Kruger was born. During the day, guests explore on foot, a remote part of this private concession in the heart of the Kruger National Park, to get a real sense of how trekking was done during the early days of exploration - a tribute to the original and authentic African safari adventure.
