Route 62 might market itself as the longest Wine Route in the world, but that's definitely not all there is to it. Lush greenery and fertile valleys form a stark contrast against the semi-desert of the Klein Karoo while towering mountains and their rivers and streams provide an awe-inspiring backdrop throughout. Some of the renowned attractions visitors will spot as they follow the route are the winelands of the Breede River Valley, the majestic Swartberg mountains, the Cango Caves and ostrich farms of Oudtshoorn, and the fruit orchards of the Langkloof Valley.

### Overnight: Sanbona Explorer Camp [View iBrochure](#)

Sanbona Explorer at Sanbona Wildlife Reserve.

Walking & camping in the 54 000 hectare wilderness sanctuary of Sanbona Wildlife Reserve in the heart of the Little Karoo! Previously home to the San People where one can experience the Legacy of the Bushman in the beauty of their Rock Art. Surrounded by ancient volcanic mountains & endless vistas, the guide will enhance the experience with birding, cultural history & other natural history of the area.

This unique walking experience is ideal for guests looking for an adventurous and authentic option offering an ambiance of a tented bush camp. The camp is located in a superbly shaded river line, north east of the reserve and approximately 30 minutes drive from Dwyka Tented Lodge.

This is a flexible experience for guests to experience and explore the Sanbona Karoo as we believe that the rigidity of travel needs to be simplified by going back to basics.

This explorer camp reflects the original safari of being on foot and sleeping around the fire at night within the comfort of a mobile tent.
