The Eastern Cape is renowned for its history, its beaches and more recently its great wildlife viewing opportunities.

This unique walking experience is ideal for guests looking for an adventurous and authentic option offering the ambience of a tented bush camp of old Safari lore. The camp is located on a plateau set amongst the only basalt and granite extrusions on Shamwari. A truly magical setting awaits!!

This is a flexible experience for guests to explore Shamwari Game Reserve as we believe that the rigidity of travel needs to be simplified by going back to basics.

This explorer camp reflects the original safari of being on foot and sleeping around the fire at night within the comfort of a bush tent.

Guests will enjoy walks through the magnificent Shamwari Game Reserve, whereby their guide will enhance their experience with birding, cultural history and other natural history of the area, along with ample opportunity of some Big 5 encounters.
